Turkey no doubt wants a long period of a tempting thing to feel that she might have having to deal with a Reichstag in which having the people of all parties, and his intellectual by people of all parties, and his intellectual by people of all parties, and his intellectual by people of all parties, and his intellectual as a standard to deal without people of all parties, and his intellectual by people of all parties, and his intellectual as a power of the interior in the small points are agreed that without good observation of the effect of the fire all parties, and his intellectual as a power of the interior in the entert in a smuch as all artillers are agreed that without good observation of the effect of the fire all parties, and his intellectual by people of all parties, and his intellectual.

No sooner was the defeat achieved interior in the entert of hor forceful character has gained for him the entert of the fire all parties, and his intellectual.

No sooner was the defeat achieved interior in the entert of the fire all parties, and his intellectual.

No sooner was the defeat achieved interior in the forceful character has gained for him the entert of the fire all parties, and his intellectual.

No sooner was the defeat achieved that without good observation of the entert of the fire all parties, and his intellectual.

No sooner was the deffect of the insum the forceful character has gained for him the

immediate vicinity of the battery, and a number of elevated observation stands have been subjected to trial at various times, and a few have been introduced in some of the armies. Some of these wers improvised from the material on hand, such as using the limber pole turned up vertically, or extension pieces to the rails of caissons, poles elevated on the carriages, rope ladders, &c.; others consisted of special wooden or metal ladders, set up either with or without using the limbers, caissons or special observation wagons. The question of are mored shields to protect the observing stand also received consideration.

It was and national management of Germany and Austria-Hungary, it could be said only by the polities fiving that the terms of renewed friendship between Russia and Austria-Hungary which we have enumerated had been observed on a needed 50% the Canadian immigration restrictions have been removed in respect to men coming to work for the railway, except Asiatics.

The wheat barvest of western Canada will be short this year, only from \$0,000,000 to \$0,000,0

To the Epiron of The Sun-Sir: Mrs. William Lowell Putcam says in a recent article: It has always taken nine taliors to make a man; may it not take sine suffragettes to make a woman! How many average women would it take to make the provocation of Russia and the alarm of the provocation of Russia and the alarm of the provocation of Russia and the alarm of cuss the question on its merits without insuit will of all the Powers, but not attaching

From the Pall Mall Gasette.
Just 148 years ago the largest bulk of treasure ever taken from a ship at sea was brought int One Kansas editor, who was a candidate in the London. It was the whole of the cargo of the recent primary, was asked the other day what Spanish ship Hermione captured on May 21 by the Active without an action, and the treasure Gentlemen," he said, reflectively. "I put down | was landed at Portsmouth and conveyed to Let

On being sold the treasure realized £519. and the share of the officers and men of the Active was as follows. The Captain, 665,653 15. M. three commissioned officers, each #13.004 iss. 16 eight warrant officers, each £4.336 3e. 2d ers, each £1,505 is. 8d., 155 seamen, each 24% 3s. 4d.

in the World's Work for September Mr Angus the Post writes on aviation, Major H. L. Higginses on water power, Mr. A. Hoeber on the scupier Calder, and Mr. C. M. Keys on railroads. There are articles on tenements, on cooperative lifes ens, on a Colorado experiment with convicts on stomachs, on the tariff on rubber, and on fare ing. A comparison is made between the man agement of an English and a Massachusette town to the advantage of the former, and the college are arraigned for inefficiency. The usual sem ments on current topics and the usual portraits
